- 12.1.1 Members have obligations to the University which include teaching and providing other services to students, study and research, participation in the administrative work of the University and public service directly related to these activities or intended to maintain liaison between the University and the community.
- 12.1.2 It is recognized by both parties that there are circumstances where professional activities outside the Members' regular university duties, on both a remunerative and non-remunerative basis, can bring benefits to and enhance the reputation of the University and the capacity of Members. Therefore, the University agrees that Members may, in appropriate circumstances, engage in outside professional activity, provided that this activity does not conflict or interfere with the Member's primary obligations, duties and responsibilities to the University as defined in this Agreement. Subject to s. 12.2, in general, and to s. 12.3 for Dental Clinical Staff engaged in intramural or extramural practice activities, a Member may engage in outside professional activity provided this activity represents a contribution to the community which can be made by the Member by virtue of ~~his/her~~ the Member's training, advanced study or research or that is of value in maintaining or developing the Member's academic competence.

- 12.2.1.3 A Member shall notify ~~his/her~~ the Member's dean/~~director~~ within thirty (30) days in writing as to the nature and extent of any paid and any substantial non-paid, outside professional activity which the Member has assumed or agreed to assume;
- 12.2.1.4 When a Member's outside activities involve the use of the University's facilities, supplies or services, ~~their~~ the Member's use shall be subject to the prior approval of the University. The costs of the use of such facilities, supplies or services shall be borne by the Member at prevailing rates set by the University, unless the University agrees, in writing, to waive all or part of such costs;
- 12.2.1.5 The name of the University shall not be used by a Member in any outside professional activity unless agreed to in writing by the Provost and Vice-President (Academic), although nothing shall prevent the Member from stating the nature and place of ~~her/his~~ the Member's employment, rank and title (s) in connection with outside professional activities, provided that ~~she/he~~ the Member shall not purport to represent the University or speak for it, or to have its approval unless that approval has been given in writing;
- 12.2.1.6 Upon written request of the University a Member shall submit a written report of all professional activities of a substantial nature by June 30 of any academic year to the dean/~~director~~.

The Member shall obtain the written authorization of the Dean regarding the Member's engagement in any such outside professional activity before accepting or engaging in such activity. Such authorization shall not be unreasonably withheld. The Member or the Dean may require a reappraisal of the authorization at any time following a change in circumstances. Subject to 12.3.2, an Extramural or Intramural Practice Agreement entered into shall be deemed to be authorization within the meaning of this Article to the extent provided by such

Extramural or Intramural Practice Agreement. It is understood that any release time granted by the University for extramural or intramural outside professional activity is without remuneration and that the salary received by the Member shall be for the remainder of time spent in the fulfilment of the Member's obligations to the University.

- 12.3.2 No Member may engage in any such outside professional activity which conflicts or interferes with the fulfilment of the Member's obligations to the University or which is in conflict with the University's interest, (including, but not limited to, providing, or seeking to provide, dental services in respect of which the University has a competing interest) without the prior written permission of the Dean.

ARTICLE 13. TRANSFERS

- 13.1 A Member who, for any reason, desires to transfer to a vacancy in another department, faculty or school shall be given consideration for such a vacancy.

The period counted as part of the maximum probationary period shall include that period before and after any of these lapses in service.

17.A.5 Continuing Appointments

An academic librarian may be given a continuing appointment independent of rank or classification. The decision concerning a continuing appointment shall be made in the best interests of the University and the academic librarian, and shall reflect the written annual reviews referred to in s. 17.A.4.2 above. A continuing appointment may be terminated only as provided in this Agreement.

17.A.6 Lay-Off

- 17.A.6.1 Lay-offs shall be for valid academic and/or financial reasons subject to the following:
 - 17.A.6.1.1 Where low student enrollment is argued as a bona fide academic reason, it must be demonstrable that a significant decline has occurred which has produced a condition of low enrollment for at least three (3) years, and reasonable projections into the future indicate that the low level of enrollment will continue.

- 17.A.6.1.2 In order to discontinue the appointments of academic librarians on probationary and continuing appointments for financial reasons, the Board of Governors (“the Board”) must first declare that an extraordinary financial exigency exists as defined in s. 28.2.1 of this Agreement. The processes set out in s. 28.2.2 through s. 28.2.13, s.28.3 and s. 28.4 shall apply.
- 17.A.6.2 Should it become necessary to lay-off academic librarians, it shall be done in the following manner:
- 17.A.6.2.1 Under normal circumstances and consistent with the priorities established within the library by the University Librarian, lay-off shall take place in the following order:

Those academic librarians affected by the lay-off (other than those holding term or contractually limited appointments) shall receive from the Board of Governors twelve (12) months' written notice. Academic librarians holding probationary or continuing appointments shall receive a discontinuance allowance equal to one (1) month's salary for each year of service in the University subject to a minimum of twelve (12) months' salary and a maximum of eighteen (18) months' salary.
- 17.A.6.4 A laid-off academic librarian who previously held a probationary or continuing appointment shall have for a period of three (3) years from the date of his/her/their lay-off a right of first refusal for any vacant position in the bargaining unit for which ~~he/she~~ the laid-off academic librarian is qualified according to a recall order which is the reverse of the order of lay-off provided for in s. 17.A.6.2.1 hereof.
- 17.A.6.5 In the event that an academic librarian holding a probationary or continuing appointment is laid-off and is subsequently given a full-time academic librarian appointment with the University, he/she/they shall receive such appointment status as he/she/they shall have enjoyed at the time of the lay-off. 17.A.7 Termination Procedure

- 17.A.7.1 If during an academic librarian's probationary period, the department head has reason to consider the termination of the academic librarian's probationary appointment for inadequate performance, ~~he/she/they~~ shall so inform the academic librarian in writing, and, on request of the academic librarian, shall discuss the matter with the academic librarian. Subsequently, if the department head still has reason to consider the termination of the appointment for inadequate performance, ~~he/she/they~~ shall seek the advice of appropriate staff members as to the validity of his/her/their concerns. If after receiving this advice, the department head believes that the appointment should be terminated, ~~he/she/they~~ shall so inform the University Librarian. If the University Librarian concurs with this advice, ~~he/she/they~~ shall so inform the academic librarian and, if the latter requests written reasons, shall supply him/her/them with same in sufficient detail to permit him/her/them to respond. The University Librarian may then forward a recommendation and the reasons to the Provost and Vice-President (Academic) along with a written report of the advice received together with a list of the names of those consulted. The written report shall include the written annual reviews referred to in s. 17.A.4.2 above. The Provost and Vice-President (Academic) may then forward a recommendation and the reasons to the President along with a written report of the advice received together with a list of the names of those consulted. The written report shall include the written annual reviews referred to in s. 17.A.4.2 above. If the President intends to recommend termination of the probationary appointment, then the President shall give the academic librarian notice of his/her/their intention to do so. If the probationer who receives this notice of intention from the President believes that:
- 17.A.7.1.1 the action is arbitrary or capricious; or
 - 17.A.7.1.2 there was an inadequate exercise of professional judgment in the particular circumstances of the University and the Libraries; or
 - 17.A.7.1.3 his/her/their appointment is being terminated as a result of the exercise of institutional censorship by the University, ~~he/she/they~~ may request, within ten (10) working days of the receipt of the said notice of intention, and shall be granted an informal hearing with the President before the final decision is taken. The time elapsed between the date of the request for an informal hearing and the date of the receipt by the Board of the President's recommendation shall count as part of the notice referred to in s. 17.A.7.2.
- 17.A.7.2 If the President does not recommend a reappointment to a probationary appointment or to a continuing appointment, then the probationary appointment may be terminated upon giving two (2) months' written notice.

17.A.7.3 An academic librarian may grieve the termination of his/her/their probationary appointment as provided for at Stage 3 of Article 32, Grievance Procedure and Arbitration, insofar as the procedures in Stage 3 are appropriate. The academic librarian's written presentation shall include a duly completed copy of the grievance form. If the decision in the Stage 3 procedure does not resolve the grievance, the matter may be submitted to arbitration in accordance with Stage 4 of Article 32.

17.A.7.4 Termination of Appointment by the Academic Librarian

17.A.7.4.1 An academic librarian may terminate his/her/their appointment upon giving the University two (2) months' written notice prior to the termination date, or such shorter notice as the University Librarian agrees to accept.

17.A.8.2 An academic librarian may be suspended with loss of pay or dismissed for just and reasonable cause, for example, but without limiting the generality of the foregoing, for persistent neglect of duty, incompetence or gross misconduct.

17.A.8.3 When the President has recommended to the Board of Governors that an academic librarian be dismissed or suspended with loss of pay, the President may suspend that academic librarian from duties without loss of pay pending the decision of the Board.

17.A.8.4 Medical disability shall not be cause for reprimand, suspension or dismissal, since this is covered by sick leave and medical disability insurance, unless the academic librarian has unreasonably refused medical attention. When an academic librarian's performance is judged to be inadequate and where it is believed that this inadequacy may be the result of illness, the University may require that he/she/they produce a medical certificate. If there is then evidence that the inadequate performance is the result of illness the academic librarian shall be placed on sick leave.

17.A.8.5 Whenever an academic librarian is reprimanded, suspended or dismissed he/she/they shall be given written notification thereof together with a written statement of the reasons for taking this action, in sufficient detail to permit him/her/them to respond.

17.A.8.6 The Association shall be notified of the names of any academic librarians who have been reprimanded, suspended or dismissed.

- 17.A.8.7 Where the University has imposed discipline on an academic librarian and demanded any remedial or other action be undertaken by the academic librarian as part of the disciplinary measure, the University may not subsequently impose further discipline on the academic librarian for failure to comply with the remedial or other action, provided the academic librarian files a grievance/unjust treatment within the time limits set out in this Agreement.
- 17.A.8.8 Where a meeting is scheduled by the University for the purpose of imposing discipline or conducting an investigation into inappropriate behaviour, the Member shall be provided reasonable notice of the meeting; advised of the nature of the meeting; advised of the individuals who will be present at the meeting; and advised of the right to ~~request that~~ have a representative of the Association attend the scheduled meeting. Where a Member intends to have an Association representative present, the Member shall so advise the person arranging the meeting. Natural justice principles will be followed in the conduct of any such meeting.

For clarity: The following order shall be used in applying increases to base salary for s. 24.2, 24.3, and 24.4:

- a. The scale increase is applied to base salary effective April 1st;
- b. The special adjustment, if any, is then applied effective April 1st;
- c. The satisfactory performance increment is then determined based on the salary schedule effective April 1st and then applied to base salary (as outlined in s. 24.5) effective April 1st; and

d. If the resulting base salary is below the floor as at April 1st, the base salary is increased to the floor effective April 1st.

24.2 Effective April 1, 2021, each Member as of March 31, 2021 shall receive an increase to his/her/their base salary of 2.25%, followed by a special adjustment for professors only, as follows:

- a. Professors not at the maximum salary: payment of a special adjustment of \$3,000, treated in same manner as if it were an increment.
- b. Professors at maximum, or who reach maximum during the term: payment of a special adjustment of \$3,000, pro-rated if necessary, as a lump sum.

24.3 Effective April 1, 2022, each Member as of March 31, 2022 shall receive an increase to his/her/their base salary of 2.25%, followed by a special adjustment for professors only, as follows:

24.5 Effective April 1, 2017, 2018, 2019, and 2020 2021, 2022, and 2023:

- (a) Each Member other than Dental Clinical Staff whose base salary rate as of March 31 of the applicable year is less than the ~~Threshold~~ Maximum for his/her/their rank (Column (3) of the Salary Schedule effective April 1 of the same year) and whose performance during the preceding calendar year has been satisfactory shall receive one increment, as applicable, to his/her/their base salary rate (Column (2) in the Salary Schedule effective April 1 of the same year), except where the application of the increment would result in the Member's base salary exceeding the Maximum. The value of the increase will be equivalent to the total value of satisfactory performance increments awarded to non-DCS UMFA Members on April 1 of the applicable contract year, divided by the total value of the annual base salaries of non-DCS UMFA Members as of March 31 previous.

Upon receipt of the report of the ABAC, the Board has the discretionary right to make the final determination as to whether to accept the recommendations of the ABAC. The Board shall make the determination as to how to achieve and allocate the required reduction in the budget allocations to faculties and schools.
- 28.3.7.1 In the event that the Board determines not to accept the recommendations of the ABAC, either in whole or in part, it shall notify the ABAC of its reasons for not accepting the recommendations of the ABAC.

28.4 Other Consultation

- 28.4.1 Once the Board has determined the allocation referred to in s. 28.3.7 and established the faculties/schools to be affected, the Board shall notify the Association and the Provost and Vice-President (Academic) in writing as to the determination, and the reasons therefor. The Association and the Provost and Vice-President (Academic) may provide advice to the Senate, and shall provide such advice within thirty (30) days of receiving the notification from the Board.

28.5 Faculty/School Councils

- 28.5.1 Once the Board has made the determination referred to in s. 28.3.7, the Board shall forward the allocations to the affected faculty/school councils. The

faculty/school councils shall recommend to the dean/director the proportion of the academic budget to be allocated to academic salaries.

- 28.5.2 The dean/director shall inform faculty/school council as to the amount of the budget to be allocated to items other than the academic salary budget and the reduction required to the academic salary budget.
- 28.5.3 The faculty/school council, shall consider the impact of the reduction in the faculty/school academic salary budget, and shall make recommendations to the Senate as to how to achieve the required reduction in the faculty/school academic salary budget. In particular, the faculty/school council:
- i) may recommend ways of reducing the academic salary budget of the faculty/school, including but not limited to, early retirements, reduced workloads, job-sharing arrangements, transfers, voluntary separation, discontinuance of Members' appointments and leaves;
 - ii) may determine that the reduction in the academic salary budget can be alleviated by a reduction in Members' salaries across the faculty/school affected. If so, the issue shall be submitted to a vote of the faculty/school council. Only Members of the bargaining unit have the right to vote on this issue. If the faculty/school council approves the reduction in salaries, it shall recommend this approach to the Board and the Association. If accepted by the parties, the total savings generated by this reduction in salaries shall be applied to the reduction required from the faculty/school academic salary budget;
 - iii) may recommend that the reduction in the academic salary budget can be achieved through the closure of a program or department and if the faculty/school council recommends such a closure, the faculty/school council:
 - a) may recommend that all or some of the components of the program or department recommended for closure be amalgamated with an existing program or department; or
 - b) may recommend that all or some of the components of the program or department recommended for closure be joined into a newly constituted program or department.
 - iv) shall take in consideration the potential impact the implementation of the specific reduction in the academic salary budget would have on the operation of other programs or departments throughout the University.
- 28.5.4 Within thirty (30) days of receiving the allocation from the Board referred to in s. 28.3.7, the faculty/school council shall submit a report with recommendations to the Senate for consideration.

28.6 Senate

28.6.1 Following receipt and consideration of the recommendations from the affected faculty/school council, the Provost and Vice-President (Academic) and the Association, and no later than sixty (60) days following the receipt of the report of the faculty/school council, the Senate shall make a recommendation to the Board as to how to achieve the reduction in the academic salary budget. The Senate recommendation shall be consistent with the following criteria:

- i) the recommendation, if implemented, will allow the faculty/school to meet its academic salary budget reduction;
- ii) the recommendation, if implemented, will not contravene the University's legal, regulatory or contractual obligations;
- iii) the recommendation, if implemented, will not result in additional long-term costs to the University which would prevent it from achieving the required reduction; and
- iv) the recommendation, if implemented, will not jeopardize the accreditation of on-going faculties, schools or programs.

28.7 Board of Governors

28.7.1 The Board shall consider the recommendation of Senate and either accept it, or, if it does not accept the recommendation, it shall send the recommendation back to Senate for reconsideration. Senate shall make a second recommendation within thirty (30) days of receiving the Board's advice that it does not accept the first recommendation.

28.7.2 The Board shall consider the second recommendation of Senate and shall accept it unless Senate has failed to meet the criteria set out in s. 28.6.1, and the Board rejects the recommendation by a two-thirds majority.

28.7.3 Where the Board accepts Senate's recommendation in accordance with s. 28.7.1 or s. 28.7.2 and the recommendation includes the closure of a program, department, school or faculty such that appointments of Members with tenured or probationary appointments are to be discontinued, the procedures in sections 28.10, 28.11, 28.12, 28.13 and 28.14 shall apply.

28.7.4 Where the Board rejects Senate's recommendation in accordance with s. 28.7.2, the Board shall determine how to achieve the required reduction in accordance with the criteria in Article 28.

28.7.5 Where at any time after the initial declaration of an extraordinary financial exigency, the Board is presented with reasonable means whereby it appears that it can in a material way reduce or eliminate the reduction in the academic salary budget (hereafter referred to as "subsequently acquired means"), the Board shall:

- i) determine the quantum or existence of the subsequently acquired means in like manner to the original verification of the financial exigency pursuant to s. 28.2, with the necessary changes;
- ii) give due consideration to the principle that a financial exigency must be alleviated by any subsequently acquired means;
- iii) if it is determined that subsequently acquired means exist, allocate such means directly to affected faculties/schools and used to modify or eliminate the required reductions in their academic salary budget;
- iv) have the discretion to determine whether or not to delay the process established by sections 28.2 through 28.10 ("the reduction process") by re-submitting all or part of the allocation to any of the steps which have been completed in the original reduction process before the verification of the subsequently acquired means;
- iv) if it chooses not to have any step in the original reduction process re-done, submit any allocation of subsequently acquired means directly to the Committee or Body then involved in a current stage of the original reduction process and any alleviation achieved thereby shall be considered thereafter as part of the original reduction process.

28.8 Closure of Faculty/School For Financial Reasons

- 28.8.1 The Board shall follow the procedures set out in sections 28.1 and 28.2 before recommending closure of a faculty/school for financial reasons.
- 28.8.2 Following a motion of the Board that it intends to recommend closure of a faculty/school, the Board shall refer the matter to Senate, which shall conduct whatever consultations it deems necessary, including consultation with the affected faculty/school. Senate shall have ninety (90) days to conduct its consultations, and shall make a written recommendation to the Board as to whether or not to proceed with the closure. The report shall be made public.
- 28.8.3 If the Board decides, after receiving the recommendation of Senate, that it wishes to proceed with the closure of the faculty/school, the Board shall inform Senate. The Board shall be entitled to make the final determination.
- 28.8.4 If, as a result of the closure of the faculty/school, the appointments of Members with tenured or probationary appointments may be or are to be discontinued, the procedures in sections 28.10, 28.11, 28.12 and 28.13 shall apply.

28.9 Discontinuance for Academic Reasons

Programs/Departments

- 28.9.1 Where discontinuance is based on academic reasons, the program/department closure shall be for bona fide academic reasons only and the process shall be subject to the terms of s. 28.9 set out hereafter.
- 28.9.2 Where low student enrollment is argued as a bona fide academic reason, it must be demonstrable that a significant decline has occurred which has produced a condition of low enrollments for at least three (3) years, and reasonable projections into the future indicate that the low level of enrollment will continue.
- 28.9.3
- a) Where, for academic reasons only, a dean/~~director~~ intends to initiate a recommendation that programs and/or departments be closed or amalgamated with the consequence that appointments of Members with tenure or with probationary appointments may be discontinued, the dean/~~director~~ shall so advise the Provost and Vice-President (Academic) who in turn shall advise the Association.
 - b) The dean/~~director~~'s recommendation to close or amalgamate programs or departments will follow the normal academic procedures involving consideration first by the faculty/school council and then Senate and the Board as provided for by the University of Manitoba Act.
- 28.9.4 Where Senate recommends to the Board the closure or amalgamation of programs or departments, as a consequence of which appointments of Members with tenure or with probationary appointments may be discontinued, the Board shall so advise the Association.

Faculties/Schools

- 28.9.5 Before the Provost and Vice-President (Academic) recommends to Senate the closure of a faculty/school for academic reasons, as a consequence of which appointments of Members with tenured or probationary appointments may be discontinued, the Provost and Vice-President (Academic) shall forward a copy of his/her/their recommendation to the dean/~~director~~, the faculty/school council and the Association, and shall invite the dean/~~director~~ and the faculty/school council to forward any advice that they wish to offer the Provost and Vice-President (Academic) within sixty (60) working days. The Provost and Vice-President (Academic) shall forward a copy of his/her/their recommendations and of the advice received from the dean/~~director~~ and the faculty/school council to Senate, the Board and the Association.
- 28.9.6 Where Senate recommends to the Board the closure or amalgamation of faculties/schools, as a consequence of which appointments of Members with tenure or with probationary appointments are to be discontinued, the Board shall so advise the Association.

28.9.7 Board of Governors

28.9.7.1 Where Senate makes a recommendation with respect to the closure or amalgamation of faculties/schools for academic reasons, the Board will give serious consideration to the recommendation from Senate and will accept its recommendation unless:

- i) Senate's recommendations are not based on bona fide academic reasons only and the recommendation of Senate is rejected by a two-thirds majority of the Board.

28.9.7.2 If the Board decides to close or amalgamate programs or departments of faculties/schools, as a consequence of which appointments of Members with tenured or probationary appointments are to be discontinued, it shall invite the Association to forward any advice it wishes to offer the Board within thirty (30) working days.

28.9.8 After consideration of all recommendations and advice pertaining to the closure or amalgamation of programs, departments or faculties/schools, the Board shall make its determination and shall inform Senate, the faculties/schools and the Association of that determination.

28.9.9 When, pursuant to the foregoing procedures, the Board decides to close or amalgamate programs, departments or faculties/schools, as a consequence of which appointments of Members with tenured or probationary appointments are to be reduced or discontinued, the procedures in sections 28.10, 28.11, 28.12 and 28.13 shall apply.

28.10 Redeployment

28.10.1 i) Upon passage of a motion by the Board approving the closure of a program, department, school or faculty for academic and/or financial reasons in accordance with this Article, which may result in a change in or discontinuance of the appointment status of Members, the Board shall establish a Redeployment Committee to advise the Board on measures needed to deal with the closure;

- ii) Where the recommendations of Senate approved by the Board in accordance with s. 28.8.2. include the identification of programs, departments, schools or faculties which are to be closed in order to achieve the aggregate savings that are required to meet the academic salary budget reductions, the list of the programs, departments, schools or faculties so affected shall be delivered to the Redeployment Committee and the Association by the Board.

28.10.2 The Redeployment Committee will consist of the following members of the University community:

- i) the Provost and Vice-President (Academic) who will serve as a non-voting Chair;
- ii) two Members elected by Senate from among those Members of Senate who are Members of the bargaining unit and who are from outside the faculty/school affected. Two alternate Members shall be selected to serve in the event that the original Member's faculty/school is affected;
- iii) three additional members on an ad hoc basis depending on the faculty/school affected, consisting of:
 - a) two members elected by the council of the faculty/school affected, and
 - b) the dean/~~director~~ of the faculty/school affected.

The Association shall be entitled to a non-voting assessor who has the right to attend all meetings of the Committee.

- 28.10.3
 - i) The University shall not discontinue the appointments of Members with tenured or probationary status pursuant to this Article without consulting with the Redeployment Committee.
 - ii) The University shall, where it is reasonable to do so, avoid hiring new persons for teaching positions, when Members have been identified or are clearly identifiable for discontinuance, at the time of the hiring, who are equally qualified to fill those vacant positions.
- 28.10.4 The Redeployment Committee shall accept the closures referred to it by the Board.
- 28.10.5 The Redeployment Committee shall identify the positions of Members which may have to be discontinued as a result of the closures. Where the recommendations of Senate in accordance with s. 28.8.2 are not sufficiently specific and comprehensive to permit identification of positions to be discontinued or such positions as can be identified do not result in aggregate savings that are sufficient to meet the required academic salary budget reduction, the deficiency in position identification shall be referred to the Redeployment Committee who shall identify and determine positions for discontinuance that are sufficient to eliminate the deficiency.
- 28.10.6 The Redeployment Committee shall consider methods of alleviating the effects of the closures. Such methods shall include, but not be limited to, transfers, early retirement, reduced work loads, job sharing, voluntary separation and the like. In particular, the Redeployment Committee shall make recommendations, including:

- i) where a vacancy exists, transferring a Member who would otherwise be discontinued to another department or faculty/school for which the Member is qualified or could be qualified with two years retraining;
- ii) providing the opportunity of voluntary early retirement if the Member is aged 55 years or more;
- iii) advising Members of any voluntary separation plan;
- iv) where reasonable to do so, offering reduced appointment as per Article 10, except that the Member does not require the permission of the President of the Board and the time frames for the notice as specified in Article 10 are waived;
- v) any other alternative which may be implemented with the consent of the Member.

28.10.7 The implementation of the above options must be done in accordance with this Agreement. If the Board cannot offer (i) and the Member does not wish to accept (ii), (iii), (iv) or (v), the Member shall be discontinued in accordance with the provisions of this Article.

28.10.8 Where two or more Members are equally qualified with respect to any position available for the redeployment of Members, the order of redeployment shall be:

- i) Members holding appointments with tenure, in order of the effective date of appointment with tenure;
- ii) Members holding probationary appointments in order of the effective date of appointment, which date is deemed to be the beginning of the maximum untenured period. In cases where two or more individuals are equal with respect to the academic needs and priorities of the faculty/school, the order of discontinuance shall be:
 - a) First, Members holding probationary appointments in reverse order of effective date of appointment, which date is deemed to be the beginning of the maximum untenured period;
 - b) Next, Members holding appointments with tenure in reverse order of the effective date of the appointment with tenure.

28.10.9 The Board shall not discontinue the appointment of Members with tenure or probationary status until the Redeployment Committee has reported to the Board.

28.10.10 The Redeployment Committee shall make recommendations with respect to actions pertaining to Members under this Article to the Board within thirty (30) working days of receiving its initial reference from the Board. The recommendation shall be provided to the Association.

28.10.11 Where the recommendations of the Redeployment Committee do not result in the required reduction in the academic salary budget, the Board shall request the Redeployment Committee to identify further positions to be discontinued in order to meet with the required reductions. Any such supplementary reports shall be provided within thirty (30) days by the Redeployment Committee to the Board.

28.10.12 Both parties recognize that due to the variability in Members' salaries and benefits mathematical precision in achieving the required reductions may not be possible.

28.11 Voluntary Severance Package

28.11.1 If the Board decides to reduce the academic salary budget in accordance with this Article, and after the Board has received the recommendations of Senate in accordance with s. 28.8.2 so as to permit the identification of affected programs, departments, faculties or schools, the Board shall inform members of the affected program, department, faculty or school of the existence of a Voluntary Severance Plan ("VSP").

28.11.2 Members shall have one month from the date of being informed of the voluntary severance plan to indicate in writing their intention to participate in the plan.

28.11.3 Within ten (10) days of receiving the written notice referred to above, the President shall make a determination as to whether the Member's voluntary separation will result in savings to the academic salary budget. The President will notify the Member in writing as to his/her/their determination and shall send a copy to the Redeployment Committee and the Association.

28.11.4 If the President determines that a Member's voluntary separation will result in savings to the academic salary budget and it appears that the Member cannot otherwise be redeployed in a fashion which will lead to greater financial or academic benefits for the University, the Member who applied for voluntary separation under this Article shall receive the notice period and the severance settlement equal to the amount of severance and notice that Member would receive if that Member had been discontinued in accordance with this Article.

28.11.5 All savings to the academic salary budget which result from the VSP shall be applied to the total savings required from the academic salary budget as identified by the Board.

28.11.6 Any Member over the age of 55 who is a member of an affected program, department, faculty or school shall, under the provisions of this Article, have the right to take advantage of any early retirement incentives in effect at the time of the declaration of financial exigency.

- 28.12.3 Members whose appointments are to be discontinued pursuant to this Article shall receive twelve (12) months' written notice and a discontinuance allowance equal to one (1) month's salary for each year of service in the University subject to a minimum of twelve (12) months' salary and a maximum of eighteen (18) months' salary.
- 28.12.4 Subject to the requirements of Revenue Canada, severance may be paid in a lump sum or in a series of equal payments, as determined by the Member.
- 28.12.5 Pursuant to the above, all payments shall be based on the individual's nominal salary at the effective date of discontinuance.
- 28.12.6 For the purpose of scholarly activity, a discontinued faculty member who previously held a probationary or tenured academic appointment shall have, for a period of three (3) years from the date of his/her/their discontinuance, access to office and laboratory space and library and computer services to the same extent and in the same fashion as is enjoyed by faculty members who are employed.
- 28.12.7 A discontinued faculty member who previously held a probationary or tenured academic appointment may maintain, for a period of three (3) years from the date of his/her/their discontinuance, such University staff benefits as ~~he/she~~ the discontinued faculty member chooses provided that ~~he/she~~ the discontinued faculty member makes prior arrangements to pay the costs of such coverage.
- 28.13 Retraining**
- 28.13.1 Where the University decides to offer retraining it shall inform the Members in writing and invite them to apply to the President for approval to engage in a retraining program.
- 28.13.2 Each applicant shall outline the retraining program ~~he/she~~ the applicant wishes to pursue.
- 28.13.3 If an approved retraining program requires that the Member register as a student at the University, such a course of study shall be free of tuition fees. If an approved retraining program requires the Member to attend another post-secondary institution, the University shall provide the Member with a contribution toward the tuition fees paid by that Member, to a maximum of fees paid to the nearest equivalent program at the University.
- 28.13.4 Upon successful completion of his/her/their retraining program, the Member shall have, for a period of two (2) years, the right of first refusal for the first available position in his/her/their new field provided ~~he/she~~ the Member is qualified for the position. If an offer of employment is accepted by the Member, ~~he/she~~ they shall

have a reasonable period of time, not to exceed twelve (12) months, to complete existing employment obligations.

28.13.5 Upon being re-appointed by the University, the Member shall receive such appointment status as he/she/they had enjoyed at the time of the discontinuance. Salary shall be adjusted for the subsequent appointment by any applicable adjustments awarded to Members as provided for under Article 24 during the period of discontinuance.

28.13.6 If a Member fails to complete an approved retraining program, the University may at its discretion terminate the appointment of the Member. That Member shall receive the balance of the severance owing under s. 28.12.3.

28.14 Recall

28.14.1 In the event that a Member whose probationary or tenured appointment was discontinued pursuant to this Article is subsequently given a full-time academic appointment with the University, he/she/they shall receive such appointment status as he/she/they shall have enjoyed at the time of the discontinuance. Salary shall be adjusted for the subsequent appointment by any applicable adjustments awarded to Members as provided for under Article 24 during the period of discontinuance.

28.14.2 A Member whose probationary or tenured appointment has been discontinued pursuant to this Article shall have, for a period of three (3) years from the date of his/her/their discontinuance, the right of first refusal for the first available position in the bargaining unit for which the Member is qualified. Such positions shall be filled on a competitive basis where the competition would consist of a pool of all discontinued Members who previously held probationary and tenured appointments.

28.14.3 Discontinued Members who previously held tenured or probationary appointments shall, for a period of three (3) years from the date of their discontinuance, be advised by the University, at their last known address, of any full time vacant position outside the bargaining unit prior to the external posting of such a vacancy. Subject to terms and conditions of employment as may be applicable to other University employees, an applicant who previously held a probationary or tenured appointment as a faculty member and whom the University considers is qualified for the available position, shall, for a period of three (3) years from the date of his/her/their discontinuance, have, prior to external posting, the right of first refusal for the position. Faculty Members who accept positions outside the bargaining unit shall forfeit their right of first refusal for positions within the bargaining unit as described in s. 28.13.2.

28.14.4 A Member whose probationary or tenured appointment has been discontinued and who accepts a transfer to another faculty position in the bargaining unit shall

retain his/her/their appointment status including any necessary salary adjustment as provided in s. 28.14.1.

28.15 Information

28.15.1 Whenever, pursuant to the provisions of this Article, advice is to be sought, a recommendation is to be considered or a submission may be made, the Board shall consider any request for information that is required in order to provide the advice, consider the recommendation or make the submission. Such information shall not be unreasonably withheld. Requests for information shall not be frivolous or vexatious. Disputes arising from requests for, or withholding of, information shall be dealt with expeditiously by an arbitrator. The Board shall not provide personal information regarding staff and/or students at the University that is confidential in order to protect their personal privacy, a detailed breakdown of the reserve for negotiations with bargaining units or salary breakdowns leading to the calculation of the reserve allocations (although the total reserve shall be provided if requested) or any other strategy, advice or guidelines which would prejudice the University's bargaining positions with any bargaining unit.

28.16 Grievances

28.16.1 Grievance under this Article will begin at Stage 3 of Article 32.

28.16.2 If the grievance is not resolved at this stage, the matter may be referred to binding arbitration under the provisions of Article 32 by a single arbitrator selected from the panel named under s. 32.4.2.1 or from a separate list as established for the purposes of Article 28. This list shall be selected by the same procedures as s. 32.4.2.1. The arbitrator selected will be the first available in sequence within ten (10) working days after submission of the notice to arbitrate. The Arbitrator must file his/her/their decision within thirty (30) days of appointment.

28.16.3 Arbitrators adjudicating grievances pursuant to s. 28.16.2 shall not have the authority to extend the time limits specified in s. 28.16.2 unless the parties agree.

and privileges attendant thereto, as if he/she/they had been a Member continuously throughout the duration of such appointment.

31.1.3 The stipend paid to a department head will be based on the number of full-time equivalent (FTE) University staff supervised as of the April 1 operating budget in each year and will not otherwise change during the term of the appointment regardless of changes in number of staff unless the monetary schedule in s. 31.1.1 or s. 31.1.2, as applicable, is changed.

31.1.4 Stipends for acting administrators will be determined on an ad hoc basis, using the schedule of s. 31.1.1 or s. 31.1.2, as applicable, as a guide. An acting administrator subsequently appointed to the position would be regarded as a new appointment.

31.1.4.1 Members appointed to other administrative positions for which administrative duties are substantially the same as those listed in s. 31.1.1 or s. 31.1.2 (with suitable allowances for different functional contexts) in respect of which the University and the Association have agreed a stipend shall be paid (with the exception of present incumbents as of November 14, 2001), shall receive an annual stipend no less than that for an Associate/Assistant Head, and no greater than that for a Head of Department with 50 or more FTE staff.

31.2.1.1 50% of the base salary rate of the Member serving in the named chair or professorship; and

31.2.1.2 the total external funding for the position.

31.2.2 Upon relinquishing the chair or professorship, or upon the expiration of the award, the Member shall cease to be paid the stipend.

31.3 Market Stipends

31.3.1 In exceptional circumstances, the University may provide an annual stipend to Members in market sensitive disciplines ("market stipends"). Such stipends shall be reviewed annually or at specified intervals, but no such interval shall exceed three years. The University shall, within (thirty) 30 days of the end of the fiscal year in which the review occurs, provide a report to the Association regarding the payment of market stipends. This report shall include the results of the review and the reasons for the decision to provide or terminate a market stipend, the discipline involved, the names of Members affected and the amount of each stipend.

31.3.2 Within (thirty) 30 days of deciding to provide or terminate a market stipend, the University shall provide to the Association in writing the name of the Member who shall receive the market stipend, the amount of the market stipend, the reasons for the decision and, in the case of providing a market stipend, the interval.

31.3.3 The total of all stipends provided pursuant to s. 31.3.1 in each contract year shall not exceed \$1,000,000 ~~\$600,000~~.

- 31.3.5.2 The ratio of the stipends for adjacent ranks shall not be less than 0.5 nor greater than 2.0. For the purposes of determining the value of market stipends, the ranks of Senior Instructor, Instructor II and Instructor I shall be deemed to be equivalent to the ranks of Associate Professor, Assistant Professor and Lecturer, respectively.
- 31.3.5.3 Where payment of a market stipend of equal value to each Member in a rank would result in anomalously high compensation for one or more Members within that rank who, ~~within the previous three (3) years~~, were appointed to their positions prior to implementation of the market stipend or received an increase pursuant to s. 24.8.1, the values of each of the market stipends for such Member(s) shall be decreased to preclude the occurrence of the anomalies.

- 32.5.3 If the University, the Member or the Association, as appropriate, fails to file an appeal within the time limits provided in this Article, the grievance or the claim of unjust treatment shall be deemed to have been resolved by the response at the prior stage.

- 34.7.1.2 In order to discontinue the appointments of instructors on probationary and continuing appointments for financial reasons, the Board of Governors ("the Board") must first declare that an extraordinary financial exigency exists as defined in s. 28.2.1 of this Agreement. Subsequently, if the department head still has reason to consider the termination of the appointment for inadequate performance, he/she/they shall seek the advice of appropriate staff members as to the validity of his/her/their concerns. If after receiving this advice, the department head believes that the appointment should be terminated, he/she/they shall so inform the dean/~~director~~. If the dean/~~director~~ concurs with this advice, he/she/they shall so inform the instructor and, if the latter requests written reasons, shall supply him/her/them with same in sufficient detail to permit him/her/them to respond. The dean/~~director~~ may then forward a recommendation and the reasons to the Provost and Vice- President (Academic) along with a written report of the advice received together with a list of the names of those consulted. The written report shall include the written annual reviews referred to in s. 34.5.2 above. The Provost and Vice-President (Academic) may then forward a recommendation and the reasons to the President along with a written report of the advice received together with the names of those consulted. The written report shall include the written annual reviews referred to in s. 34.5.2 above. If the President intends to recommend termination of the probationary appointment, then the President shall give the instructor notice of his/her/their intention to do so. If the probationer who receives this notice of intention from the President believes that:

The time elapsed between the date of the request for an informal hearing and the date of the receipt by the Board of the President's recommendation shall count as part of the notice referred to in s. 34.8.2.
- 34.8.2 If the President does not recommend a reappointment to a probationary appointment or to a continuing appointment, then the probationary appointment may be terminated upon giving two (2) months' written notice.
- 34.8.3 An instructor may grieve the termination of his/her/their probationary appointment as provided for at Stage 3 of Article 32, Grievance Procedure and Arbitration, insofar as the procedures in Stage 3 are appropriate. The instructor's written presentation shall include a duly completed copy of the grievance form. If

the decision in the Stage 3 procedure does not resolve the grievance, the matter may be submitted to arbitration in accordance with Stage 4 of Article 32.

34.8.4 Termination of Appointment by Instructor

- 34.8.4.1 An instructor may terminate his/her/their appointment upon giving the University two (2) months' written notice prior to the termination date, or such shorter notice as the dean/~~director~~ agrees to accept.

34.10 Reprimand, Suspension and Dismissal

- 34.10.1 An instructor may be reprimanded or suspended without loss of pay for inability or refusal to carry out, or misconduct in carrying out, his/her/their University duties and responsibilities.
- 34.10.2 An instructor may be suspended with loss of pay or dismissed for just and reasonable cause, for example, but without limiting the generality of the foregoing, for persistent neglect of duty, incompetence or gross misconduct.
- 34.10.3 When the President has recommended to the Board of Governors that an instructor be dismissed or suspended with loss of pay, the President may suspend that instructor from duties without loss of pay pending the decision of the Board.
- 34.10.4 Medical disability shall not be cause for reprimand, suspension or dismissal, since this is covered by sick leave and medical disability insurance, unless the instructor has unreasonably refused medical attention. When an instructor's performance is judged to be inadequate and where it is believed that this inadequacy may be the result of illness, the University may require that he/she/they produce a medical certificate. If there is then evidence that the inadequate performance is the result of illness the instructor shall be placed on sick leave.
- 34.10.5 Whenever an instructor is reprimanded, suspended or dismissed he/she/they shall be given written notification thereof together with a written statement of the reasons for taking this action, in sufficient detail to permit him/her/them to respond.

- 34.10.7 Where a meeting is scheduled by the University for the purpose of imposing discipline or conducting an investigation into inappropriate behaviour, the Member shall be provided reasonable notice of the meeting, advised of the nature of the meeting, advised of the individuals who will be present at the meeting, and advised of the right to ~~request that~~ have a representative of the Association attend the scheduled meeting. Where a Member intends to have an Association representative present, the Member shall so advise the person arranging the meeting. Natural justice principles will be followed in the conduct of any such meeting.

ARTICLE 35. PERFORMANCE EVALUATIONS

- 35.1 The University and Association agree that performance evaluations are primarily for formative purposes, intended to promote the continued professional development of Members in the course of their individual careers.
- 35.2 Evaluations shall be conducted in accordance with the principles of academic freedom stated in Article 37 and the statement of the rights and responsibilities of Members in sections 19.A.2, 17.A.2 and 34.1.1 of this Agreement, as appropriate to the Member in question. The evaluation of research and scholarship shall be consistent with the statement of factors in sections 20.A.1.2.1 and 20.B.1.2.2.
- 35.3 Both parties recognize the importance of tenure as a fundamental protection of academic freedom. Performance evaluations are not intended to supplant the rigorous evaluations that are carried out for the purposes of hiring, promotion or tenure, or to erode the status and security that is created by such processes.
- 35.4 The result of an evaluation will not be used to assign Members any quantitative rankings. Evaluations shall not be used to rank Members against one another, except that a Member may choose to submit an evaluation to a person or entity outside of ~~his/her~~ the Member's department or faculty/school for the purpose of obtaining a grant or award that is determined on a competitive basis.
- 35.5 Research Metrics**
- 35.5.1 For the purposes of this provision, “research metrics” shall mean the product of the application of quantitative analysis and statistics used to assess the quality of a body of work (e.g, h-index, citation index, bibliometrics).
- 35.5.2 Any evaluation and/or assessment of a Member’s research shall be based on a full review of the quality of their contribution to research, scholarly work, and other creative activity.
- 35.5.3 Quantitative factors (such as the number of publications, research funding amounts, and number of conference presentations) have been an element of evaluation and/or assessment and shall continue to be an element in the evaluation and/or assessment of research, scholarly work, and creative activities.

- 35.5.4 Research metrics shall not be used as a substitute for a more comprehensive assessment of quality and quantity.
- 35.6 The dean/~~director~~, with the advice of his/her/their faculty/school council, shall be responsible for establishing and modifying the evaluation procedures used in a particular faculty/school. However, the Senate may from time to time, prescribe standard data collection forms, such as SEEQ.
- 35.7 Members shall have reasonable notice and opportunity to contest and respond to material that might be used as a basis for evaluation.
- 35.8 No anonymous material may be used to form the basis of any evaluation or be included in the evaluation of a Member except for statistical data arising from an approved teaching evaluation.
- 35.9 A copy of any evaluation conducted under this Article must be provided to the Member before it is placed in his/her personal file. In accordance with Article 11, the Member shall have the right to a reasonable period of time to review the evaluation, and may submit a written response to the evaluation, one (1) copy of which shall be attached to the evaluation in question and one (1) copy of which, signed by the dean/~~director~~, shall be kept by the Member.
- 35.10 Members may grieve any evaluation under this Article, pursuant to the grievance procedures in Article 32. A Member's failure to grieve an evaluation to which the Member has responded does not constitute acquiescence.

ARTICLE 36. RELEASE TIME – UMFA OFFICERS

- 36.1 The parties acknowledge the right of the Association to secure release time for academic staff members in order to serve in office in the Association in accordance with the following provisions.
- 36.2 Service in the Association, whether in an office for which release time is provided, or through service in other Association positions, is deemed by the parties to be service to the University community.
- 36.3 Individuals who are taking an office in the Association shall discuss potential arrangements with their department head and/or dean/~~director~~. Release time shall normally be applied to a reduction in teaching duties, or to related duties in the case of non-teaching Members or Members in special circumstances. The Dean's approval shall not be unreasonably withheld.
- 36.4 For the purposes of calculating release time, the total effort attributed to a Member's duties shall be deemed to be fifteen (15) units. Units shall normally be attributed to teaching, research and service in accordance with the weightings in effect for promotion in the Member's faculty/school at the time the request for release time is made (e.g. where weightings are 40% teaching, 40% research and

20% service, units attributed shall be 6, 6, and 3 respectively). Unit value shall be calculated as follows:

$$\text{Unit value} = \frac{\text{Salary}}{15}$$

Where: Salary is the average salary of UMFA Members as at April 1 of the year in which the term of office is to begin, rounded to the nearest thousand dollars.

36.5 Release time provided shall be without any loss of salary or benefits.

36.6 Normally, the units assigned to officers shall be:

President	6 units
Vice-President	1 unit
Grievance Officer	4 units
Contract Administrator	4 units
Chief Negotiator	2.5 units
Bargaining Team members	2.0 units

36.7 The Association may from time to time alter the units of release assigned to officers, or to secure the release of other officers, provided that the dean/~~director~~ of any Member whose release time is to be increased is in agreement. The dean/~~director~~'s agreement shall not be unreasonably withheld.

36.8 Additional units of release time for other Members may be requested by the Association. Approval of the dean/~~director~~ of duties from which the Member is to be released shall not be unreasonably denied. Compensation for such additional units of release time shall be calculated in accordance with s. 36.4.

36.9 The Association shall inform the University of the names of the officers for whom release time shall be granted, and the units of release in each case, not later than ten (10) working days following election or following the establishment of the nature of the release, on terms acceptable to the dean/~~director~~ and the Member, whichever is later.

36.10 The Association shall provide payment at the same time as the notice cited in s. 36.9.

ARTICLE 37. ACADEMIC FREEDOM

37.1 The essential functions of a university are the pursuit, creation, and dissemination of knowledge through research and other scholarly and creative activities, and by teaching. Academic Freedom is essential to these functions and ensures the right of Members to teach, investigate, and speculate, and/or to create or perform works of art, without deference to prescribed doctrine. Furthermore, universities are communities in which the right to criticize all aspects of society is valued and

respected. These rights are to be understood as central to the protection of the public interest and the pursuit of truth.

- 37.2 Academic Freedom specifically entails, but is not necessarily limited to, the right to:
 - 37.2.1 conduct research and to publish, subject to approval by ethics Review Boards where necessary, and to the provisions of any contract with a third party that imposes a delay on the publication of the Member's research provided that the contract complies with Article 14;
 - 37.2.2 teach and discuss;
 - 37.2.3 select, acquire, disseminate, or critique documents or other materials in the exercise of the Member's Academic Rights and Responsibilities;
 - 37.2.4 exercise professional judgment in the acquisition and selections of library materials, and in ensuring that these materials are freely accessible;
 - 37.2.5 criticize the University, the Association or any corporate, political, public or private institution; and
 - 37.2.6 create, exhibit, perform or adjudicate works of art; all without deference to prescribed doctrine.
- 37.3 The University and the Association agree to uphold and protect the principles of Academic Freedom as specified herein and not to infringe upon or abridge them.
- 37.4 The exercise of Academic Freedom, as described in this Article, shall not cause the imposition of any penalty or reprisal on a Member by the University or the Association. Neither shall the University or the Association countenance the restraint of Academic Freedom or the imposition, arising from its exercise, of any penalties or reprisals upon Members by any person, institution, agency or corporate donor to the University or the Association, or from any source within the University.
- 37.5 The credibility of the principles of Academic Freedom depends upon a collective commitment to exercise these principles in a manner consistent with the scholarly obligation to base research and teaching on an honest and ethical search for knowledge.
- 37.6 Academic Freedom does not require neutrality on the part of a Member nor does it preclude commitment on the part of a Member. Rather, Academic Freedom makes such commitment possible. Academic Freedom also carries the responsibility to respect the rights and freedoms of others. In particular, Members are expected to recognize the right of other members of the academic community faculty, staff, and students to express their opinions. Academic Freedom does not confer legal immunity or guarantee legal defence by the University in respect of

positions taken which do not flow from the Members' responsibilities to the University nor does it diminish the obligation of Members to meet their responsibilities to the University.

- 37.7 Members shall not purport to speak on behalf of the University or the Association unless specifically authorized to do so. A statement of affiliation with, or position in the University, or of qualifications relevant thereto, shall not be construed as an attempt to speak on behalf of the University. A statement of Membership or position in the Association shall not be construed as an attempt to speak on behalf of the Association.
- 37.8 This Article applies to Members in their capacity as academic staff members with faculty/academic librarian rank. It does not apply to Heads of Departments, or their associates or assistants in their administrative capacities, though it does apply to the appointments of these persons as faculty members, academic librarians and instructors.

ARTICLE 38. INTERNAL AND EXTERNAL REVIEWS

- 38.1 The evaluations and reviews (hereinafter "Review") conducted or engaged by the University referred to in this Article are intended to assess such matters as programs (undergraduate or graduate), administration, budget, organization, structure or otherwise. They are not intended to be evaluations or reviews of individual performance.
- 38.2 Evaluations and reviews of individuals are properly carried out pursuant to Article 35 (Performance Evaluations), Article 19 (Tenure) and Article 20 (Promotions).
- 38.3 The University agrees that prior to participating in a Review, each reviewer shall be advised of #1 above in writing, and be instructed that ~~he/she~~ the reviewer is being engaged strictly to conduct a Review under this Article.
- 38.4 The University shall take all reasonable steps to ensure that the provisions of this Article are adhered to during the conduct of any such Review.
- 38.5 The grievance process under Article 32 applies to a Member's treatment in the course of a Review, whether or not University personnel personally carried out the review.
- 38.6 Notwithstanding sections 38.1 and 38.2 hereof, the provisions of this Article shall not apply to evaluations or reviews carried out where Members apply for merit awards, extraordinary salary increases, research/study leaves, and internal grants/or awards or where Members are being considered for anomalies awards.
- 38.7 The University retains its right to investigate issues relating to discipline, human rights, health and safety or frustration of contract.

ARTICLE 39. PRIVACY

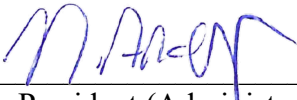

- 39.1 Members have a right to privacy in their personal and professional communications and files, including paper and electronic records, excepting administrative communications and files, subject to The Freedom of Information and Protection of Privacy Act (FIPPA), and/or any other applicable statutes of the Government of Manitoba and the Government of Canada related to access to information and the protection of privacy, as they may be proclaimed or amended from time to time.
- 39.2 In recognition of the right to privacy and academic freedom, a Member's office, classroom, work space, laboratory, computer storage media, computer accounts, mail, email, telephone, website or any material or intellectual property produced by a Member shall not be subject to access, surveillance, review or monitoring by the University unless those actions are taken in accordance with the required or allowed provisions under The Freedom of Information and Protection of Privacy Act (FIPPA) and/or any other applicable statutes of the Government of Manitoba and the Government of Canada, as they may be proclaimed or amended from time to time.
- 39.3 The University has the right to install cameras in public spaces for security, safety, or other legal concerns in accordance with The Freedom of Information and Protection of Privacy Act (FIPPA) and/or any other applicable statutes of the Government of Manitoba and the Government of Canada, as they may be proclaimed or amended from time to time. Camera footage will not be used to evaluate employee performance, nor shall such camera footage be used or disclosed for any purpose other than the initially identified purpose for the camera's installation.

ARTICLE 40. DURATION AND RENEWAL

- 40.1 This Agreement shall be in effect from April 1, ~~2017~~ 2021 to March 31, ~~2021~~ 2024 and shall continue in force thereafter from year to year unless renewed, revised or terminated as hereinafter provided.
- 40.2 Unless specifically provided in the Article, no Article in the Agreement shall take effect until the date of the signing of this Agreement or ten (10) days from the date of its ratification by both parties, whichever shall be sooner.
- 40.3 If either party to this Agreement should desire to renew, revise or terminate this Agreement, then not less than sixty (60) calendar days and not more than one hundred and fifty (150) calendar days prior to the expiry date set out in s. 40.1 hereof, such party shall give written notice thereof to the other with particulars thereto.

4. The said privilege may be exercised only such days and during such hours as may from time to time be designated by the Dean of the Dr. Gerald Niznick College of Dentistry ~~Faculty of Dentistry~~; providing, however, firstly, that the exercise of such privilege will in no way interfere or conflict with the discharge of all the duties and obligations of any such Member as a member of the teaching staff of the University, and secondly, depending on the terms of the appointment, no Member shall be engaged in the exercise of the said privilege more than two half-days between Monday and Friday during normal working hours. LETTER OF UNDERSTANDING Re: Technology in Teaching & Learning

BETWEEN:

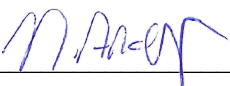

**THE UNIVERSITY OF MANITOBA
(Hereinafter referred to as the “University”)**

- and -

**THE UNIVERSITY OF MANITOBA FACULTY ASSOCIATION
(Hereinafter referred to as “UMFA”)**

The University and UMFA agree as follows:

1. Within thirty (30) days of the 2021-2024 Collective Agreement being ratified, each party will nominate three (3) representatives to a Joint Committee to review the issues pertaining to digital teaching and learning in the present and future. One representative from each party will serve as a Joint Chairperson.
2. The parties agree to permit the naming of non-voting resource persons to the Committee to provide administrative support.
3. The Joint Committee’s work shall include, but not be limited to:
 - a. A discussion of the present state of technology in teaching and learning at the University of Manitoba, and its impact on UMFA Members and their rights and interests;
 - b. A discussion of the possible future state of technology in teaching and learning, and its impact on UMFA Members and their rights and interests;
 - c. A discussion of the risks, hazards, and merits of Distance Education, Blended, and Hybrid delivery modes;
 - d. A discussion of strategies and necessary resources to support UMFA Members and students engaging in Distance Education, Hybrid, and Blended delivery modes;
 - e. Consultation with members of the academic community representing a diversity of disciplines, and with members of the academic community with experience and/or relevant academic expertise relating to digital modes of teaching and learning.
 - f. A review of relevant provisions of the Collective Agreement;
 - g. Making recommendations as to how to deal with technology in teaching and learning at the University of Manitoba.

4. The Committee shall present a final report in writing to the President of the University and the President of the Association no later than eighteen (18) months from the date of the 2021-2024 Collective Agreement taking effect.
5. The President of the University shall make the final report and any recommendations available broadly to members of the University community, but specifically to the Provost, the Deans and Directors Council, Faculty and School Councils, and Senate and any of its relevant committees for discussion.
6. Following delivery of the final report, University and Association representatives will meet to review the report and consider recommendations made in the report.
7. The Provost of the University or their designate will provide regular reports to the President of the University and the President of the Association on progress made in relation to the matters raised in the final report.
8. Pending completion of paragraph 6, the following definitions will hold:
 - a. Hybrid delivery modes integrate in-person and online instruction either simultaneously or in respect of the same or similar material.
 - b. Blended delivery modes integrate online with in-person instruction via substituting online activity for in-person time, or vice versa.
 - c. Distance Education delivery mode pertains to courses which do not incorporate any in-person activity except for final examinations, and which are designated as DE in the academic calendar.
9. Pending completion of paragraph 6, UMFA members who prior to the pandemic did not teach using online modes of delivery (including Distance Education, Blended, Hybrid) will not be required to teach using these modes of delivery without their consent. This does not apply to UMFA members who prior to the pandemic delivered courses using these modes nor to members whose letters of offer indicate that their assigned teaching will include teaching using online modes of delivery.
10. The Parties agree that s. 17.A.3.1, s. 19.A.2.4.1.2, and s.34.3.1 applies to Hybrid, Blended and Distance Education (DE) delivery modes and shall be considered to be “technology used in teaching courses dependent on information technologies”.
11. Deans shall make a reasonable effort to assign courses dependent on information technologies to those who express a preference for teaching them, and not to those who have not expressed such a preference. As part of the timetabling process, Deans will canvas through department or unit heads Members’ preferences for delivery modes.
12. The Parties further agree that if a Member seeks to withhold consent to a teaching assignment of such a course pursuant to s. 17.A.3.1, s. 19.A.2.4.1.2, or s.34.3.1, the dean shall review the Member’s basis for the withholding, meet with the Member and the unit head, and give consideration to the reasonableness of the withholding of

consent. If no resolution can be found, the dean will provide a written explanation to the Member of the dean's decision, including reasons for the unviability of alternative assignments, and the Member will accept the assignment. The Member shall be entitled to grieve the disputed assignment pursuant to s. 17.A.3.1, s. 19.A.2.4.1.2, or s.34.3.1, and pursuant to the grievance procedures outlined in Article 32. If successful, the Member shall be entitled to receive equivalent teaching credit in respect of the challenged assignment, in addition to any other remedies which may be ordered by the arbitrator.

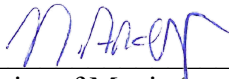

13. This letter of understanding shall be attached to and form part of the Collective Agreement and shall remain in force for the duration of the Collective Agreement and the period in which s. 10(4) of the Labour Relations Act applies.
