## GENERAL INFORMATION

### **Pension Plan Committee Elections: UMFA Recommendations**

UMFA Members and other staff who are part of the [University of Manitoba Pension Plan \(1993\)](#) are able to vote between May 10 and May 23 for two staff nominees to sit on the pension committee. UMFA is endorsing **Cameron Morrill (UMFA)** and **Will Christie (AESES)** to represent current faculty and staff on the committee. It's important that you vote. The pension committee is charged with overseeing the administration of the plan. It determines matters of policy and interpretation, decides on investment strategies and recommends amendments of the plan to the Board of Governors. Plan members will have received an email from [pensionelection@umanitoba.ca](mailto:pensionelection@umanitoba.ca) and will be able to vote electronically. Information on nominees can be found here: [http://umanitoba.ca/admin/human\\_resources/staff\\_benefits/pdf/nomination-form-actives-may-2017.pdf](http://umanitoba.ca/admin/human_resources/staff_benefits/pdf/nomination-form-actives-may-2017.pdf). ### **UM Students' Teacher Recognition Reception**

UMFA would like to congratulate all the teachers who were honored at the annual UM Students' Teacher Recognition Reception that took place earlier this week. This award gives outstanding graduating students the opportunity to honour those teachers who have made important contributions to their education. Students are asked to recognize one teacher from their Kindergarten to grade 12 years, and one from their years at the University. Each student then speaks about the impact each teacher had on their lives, and the teachers receive a small award. Previous years' recipients are listed here:
